

This Month

Women's Heritage Day

Sat, Mar 9, 12-3:30 PM
History Park
635 Phelan Avenue

Join us and History San José for a celebration of Women's History Month, where we'll be curating diverse performances and workshops in front of the Pacific Hotel, La Raza Historical Society will have live poetry readings in the Empire Firehouse and Mas Dulce will emcee & DJ a woman-owned lowrider show.

Enjoy interactive craft stations that highlight local historical figures. Historic buildings and indoor exhibitions will be open to the public with a range of outdoor vendors and community organization booths throughout History Park.

Complimentary meals will be given to attendees who register and check into the event (first-come, first-serve) with delicious drinks and treats available for purchase at O'Brien's, through woman-owned business Pennylane.

Don't miss this festive, family-friendly community gathering as we honor the achievements and contributions of women throughout Santa Clara Valley's history.
